

I Got it Right

Karen Smith

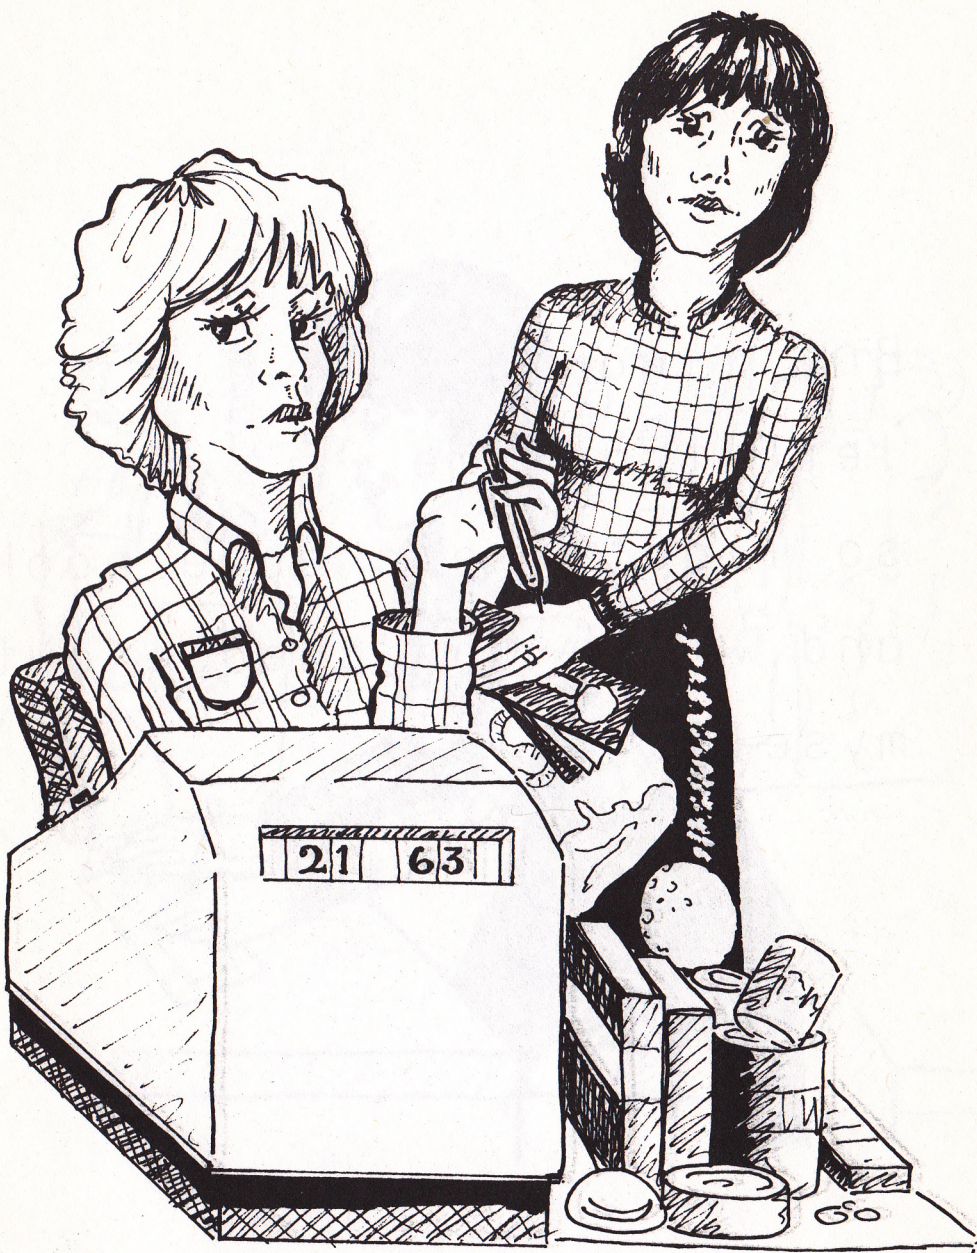

Two weeks ago

I went to Sainsbury's
to buy my shopping
for the week.

and when I got
to the cash desk
I was looking
for my husband
to come
and write the cheque
for me,

but he was not there,
so I was on my own.

But I would not
let it get me,
so I got the cheque book
and wrote the cheque out
myself.

and it was RIGHT!
